Problem Statement

- Finance major/minor requirements
- Course prerequisites
- Program pathways
- Scheduling and advising FAQs

Our Solution

A domain-specific **RAG (Retrieval Augmented Generation)** chatbot

- ✓ Rooted in official SCU documentation
- ✓ 24/7 instant academic advising
- ✓ Connects students to Drahmman Center when needed

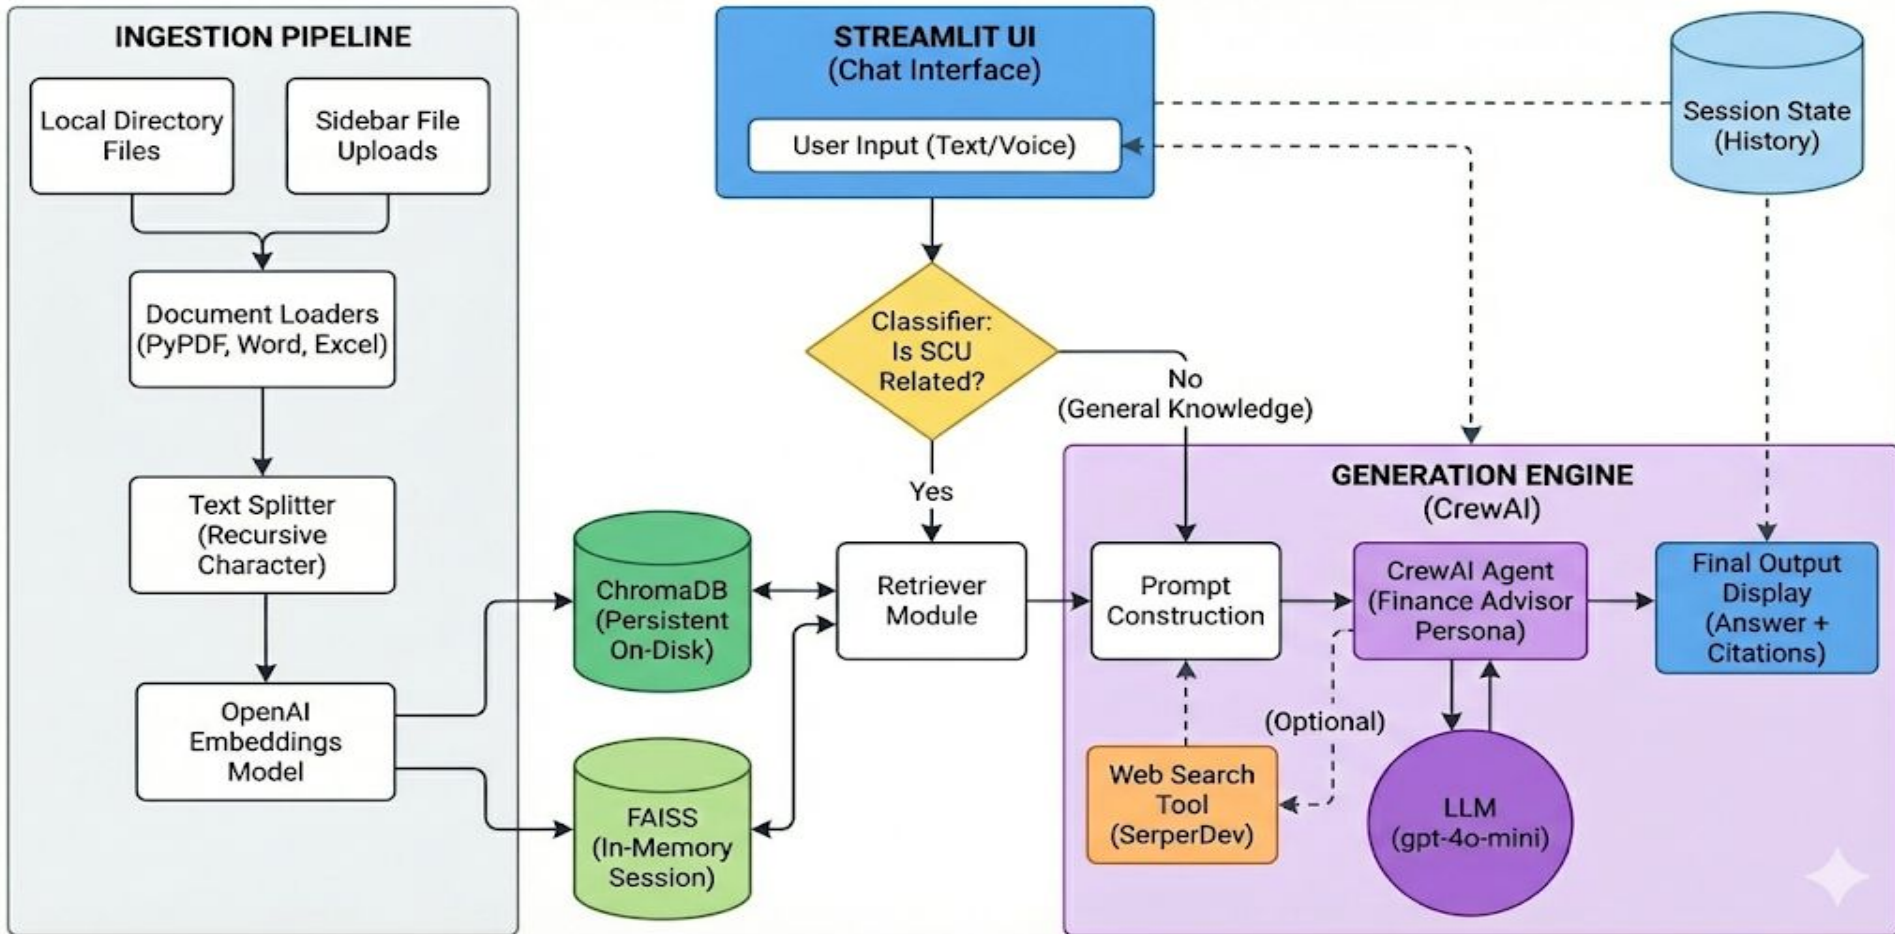

Architecture

Model Architecture

Core Components

Configuration

API Key, set up KB Directory, index, chunk, build chroma and Faiss, Token, port number, Hosting (Ngrok)

Vectorization

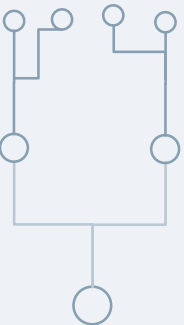

Encodes documents into vectors that power accurate retrieval during conversation

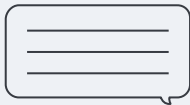

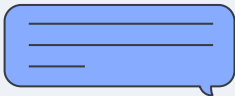

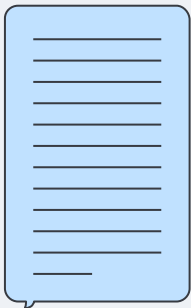

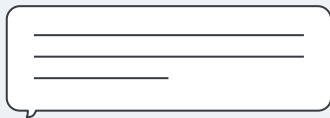

RAG

Retrieve context to generate relevant information

Front-end

Connects the backend logic to a simple, intuitive user interface

Helpers/Tools

Helper Functions

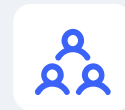

Load Doc to Directory

- Loading and Parsing using langchain (PyPDF, Word, Excel)
- Gets metadata (filename, source)

Build Vector Stores

- Chunking (break large docs)
- Embedding (OpenAI)
- Chroma: Persistent on disk
- FAISS: faster memory, fast session level

Retrieve Context

- Searches 4 vector Stores
- SCU KB and User Upload: each source has 2 stores (Chroma and FAISS)
- De-duplicates results, context to LLM
- Retrieval Priority: Primary KB (Chroma), Backup KB (FAISS), User Uploaded (Chroma and FAISS)

CREW AI(Agents & Tools)

Get_Crew_Agent_Tool (personality)

- ❖ Context about SCU
- ❖ Tone and style
- ❖ Drahmman Center fallback (Safety+responsibility)
- ❖ Safety guardrails (Hallucination and wrong advice)

Is_scu_related_question (function)

- ❖ Filter
- ❖ SCU Question (KB first)
- ❖ General (Fall back to websearch)

Run_Agent_Answer (generation)

- ❖ Task: Ties everything together
 - 1) Carefully read the user's questions
 - 2) Determine if we need to use web search:
 - a) For SCU questions: use KB first. If insufficient, search site: [scu.edu](https://www.scu.edu)
 - b) For general questions: use web search
 - 3) Answer accurately and cite all sources
- ❖ Search guidance
- ❖ Drahmman Center fallback

Features

Voice Input

Talk to chatbot instead of typing

Chat History

Preserves users previous questions

KB Indexing

Enables faculty to add or remove documents and re-vectorize documents immediately, ensuring the most up to date information

End User Uploads

End users can upload transcripts, 4 year plans and other documents to reference in queries

Dark/ Light Mode

User centric customization, allowing users to customize if they want dark or light mode

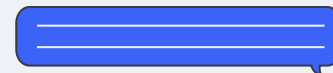

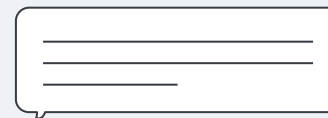

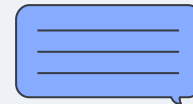

Web Search

It gives the system the ability to answer questions outside local dataset by pulling verified information from SCU websites or the broader internet when needed.

Application Steps

 what are the prerequisites

what are the prerequisites to enroll in SCU finance department

To enroll in the Finance program at Santa Clara University's Leavey School of Business, the following prerequisites are generally required for undergraduate students:

1. General Course Requirements:

- Completion of foundational courses in Mathematics. Students can choose from:
 - MATH 12 (Calculus for Business and Social Science)
 - MATH 31 (Calculus for Business)

2. Core Finance Courses:

- Some core finance courses may have prerequisites, such as successful completion of FNCE 121 (Principles of Finance) before advancing to more specialized finance courses.

3. Overall Academic Standing:

- Students typically need to be juniors or seniors in their academic standing to declare a major in Finance.

4. Grade Requirement:

- A minimum grade may be required in all prerequisite courses to proceed in the Finance curriculum.

For specific details, including any changes to the requirements, I recommend visiting the official [SCU Leavey School of Business Finance Academics page](#) or checking the [Finance Checklist](#).

 Ask anything - SCU Finance Department or general knowledge...

Implementation: Safety Guardrails

Shut the(¬¬)up

I'm here to assist with academic-related questions, particularly regarding Santa Clara University's Finance Department programs or finance-related topics. If you have any inquiries or need information on those subjects, feel free to ask! Otherwise, I won't be able to respond to inappropriate language or behavior. Thank you for understanding.

I want to pew pew someone

I'm sorry, but I can't assist with that request. If you're feeling angry or upset, I strongly encourage you to speak with someone who can help, such as a mental health professional or a trusted person in your life. My purpose is to provide academic assistance only.

Implementation: End User Doc Upload

can I add real estate minor and still graduate in 4 years

Based on the context provided, it's feasible to add a Real Estate Minor and still graduate in four years, but it is advisable to consult with the Drahmman Academic Advising Center for personalized guidance and to confirm your specific academic plan.

Future Enhancements

- Move from ngrok to AWS for long-term hosting
- Enable students to read, upload and answers questions based on images (jpg, jpeg files)
- More mobile friendly
- Provide three automatic starter questions to help users begin the conversation effortlessly, without needing to type a prompt
- Integration with SCU workday interface to pull even more personalized customization
- Google calendar integration for important deadlines such as add/drop etc.
- Multi language support for international students

Thank You!
